SLP Operations LLC Acquires Skilled Nursing Center in Gainesville, Texas

[Gainesville, Texas and Fort Worth, Texas, June 1, 2019] – SLP Operations, LLC., a growing provider of skilled nursing and rehabilitative care, is pleased to announce River Valley Nursing and Rehabilitation Center is joining the team. River Valley was purchased in Spring 2019, and with this acquisition SLP Operations now manages 37 skilled nursing centers in the state of Texas and Oklahoma.

“We are excited, as well humbled to grow as a company and extend our quality of care to seniors and aging adults,” commented Cassie Mistretta, Chief Executive Officer of SLP Operations, LLC. “We’ve been operating in Texas for more than 20 years and are so pleased to welcome River Valley into the Senior Living Properties family. Cooke County represents a new market for Senior Living Properties, and we are ready to serve the residents and their family members of Gainesville and the surrounding area.”

Regional Vice President of Operations Amanda Burnett will lead operations at this center. River Valley management and staff will provide 24-hour skilled nursing and rehabilitative care, centrally located close to home for people in the Gainesville and the North Texas area.

SLP Operations, LLC acquisition will not only help those in need of its services, but also those who are seeking career opportunities.

River Valley Nursing and Rehabilitation Center is a 116-bed health care center located at 1907 Refinery Road, Gainesville, Texas 76240. The center offers skilled nursing, physical therapy, post-hospital care, long-term care, rehabilitation services, respite care, and memory care. Centrally located in Gainesville, near North Texas Medical Center at Interstate 35 and Highway 82, residents and family members will conveniently enjoy outings to several shops and restaurants.

By providing love and attention one resident at a time, residents receive a personalized care plan, offering both private and semi-private accommodations to feel like home. Outdoor activity areas with gardens and courtyards, accessible dining room, beauty salon, Wi-Fi Internet throughout the center, and a well-equipped therapy and gym room contribute to the center’s many features.
