Snyder Healthcare and Snyder Oaks Care Center to merge and form new Skilled Nursing & Rehabilitative Care Center in Snyder, Texas

[Snyder, Texas and Fort Worth, Texas, July 5, 2019] – SLP Operations, LLC (SLPO), operator of 24-hr skilled nursing and rehabilitative care centers in Texas and Oklahoma, announced that, as part of its continuing efforts to strengthen labor resources in the market, centers in Snyder, Texas will be consolidated. The company has merged Snyder Healthcare and Snyder Oaks Care Center to now operate as Snyder Oaks Nursing and Rehabilitation Center. This center will preserve and expand access to quality care and dedicated resources.

"Leadership from both centers' continue to work together to integrate and invest in our future growth," said Cassie Mistretta, SLP Operations Chief Executive Officer. "By bringing our administration and nursing teams together into one location, we will further improve our ability to provide and achieve operating efficiencies more effectively, through enhanced collaboration, communication and teamwork. We are excited about the opportunities ahead for the Snyder Oaks residents, community and employees."

Snyder Oaks Nursing and Rehabilitation Center will focus on enhancing and improving its skilled nursing and rehabilitative care services, by offering better staffing ratios for direct patient care. The center will be managed by Administrator Micki Brittain and Director of Nursing Heather Matchett.

SLPO has communicated plans to all associates and residents, as consolidation is expected to be completed by Fall 2019. The company has offered residents the opportunity for relocation to Snyder Oaks Nursing and Rehabilitation Center or a Skilled Nursing Center closer to their family. SLPO estimate fewer than 1% will discontinue employment.

Snyder Oaks Nursing and Rehabilitation Center will be located at the 210 37th Street, Snyder, TX 79459-5199, where Snyder Oaks Care Center was recently occupied. The center is open and welcoming new residents. For appointments please call: (325) 573-9377 (Mon-Fri 8 AM – 5 PM).
