### Senior Living Properties, LLC Certified as a Great Place to Work®

**[Fort Worth, Texas, January 17, 2020]** – Great Place to Work Institute has honored Senior Living Properties, LLC with certification as a Great Place to Work. The certification process considered more than 1,000 employee surveys from across Senior Living Properties’ locations. Great Place to Work, an independent research and consulting firm, evaluated more than 60 elements of team members’ experience on the job. These included employee pride in the organization’s community impact, belief that their work makes a difference, and feeling their work has special meaning. Rankings are based on employees’ experiences, no matter who they are or what they do.

“We decided to make this investment part of our 2019 Strategic Goals to understand our team of talent, much better, across the portfolio. We presume to know and understand what is happening in the field, but we want to prevent ourselves from getting out of touch.”, shared Cassie Mistretta, Chief Executive Officer of SLP Operations.

“We applaud Senior Living Properties for seeking certification and releasing its employees’ feedback,” said Dr. Jacquelyn Kung, of Great Place to Work’s senior care affiliate Activated Insights. “These ratings measure its capacity to earn its own employees’ trust and create a great workplace for high performance.”
