### SLP Operations Acquires Skilled Nursing Centers in Houston Texas Area

**[Fort Worth, Texas, August 4, 2020]** – SLP Operations, LLC., a provider of skilled nursing and rehabilitative care centers, is pleased to welcome two skilled nursing and rehabilitation centers to its growing family. The two new centers are Pinehurst Nursing and Rehabilitation Center (Orange, TX) and Seabreeze Nursing and Rehabilitation Center (Texas City, TX). SLPO began operating these centers on August 1<sup>st</sup>, and now has 41 centers in the state of Texas.

“We are humbled to grow as a company and extend our quality of care in rural Texas areas,” said Cassie Mistretta, Chief Executive Officer of SLP Operations, LLC. “At SLP we take tremendous pride in delivering top notch care and service to our residents and their family members, as well as our employees. We are excited to bring this dedication and commitment to Pinehurst and Seabreeze.”

“During this COVID-19 pandemic, our most important priority is the safety and well-being of both our residents and our employees,” continued Mistretta. “SLP Operations has taken significant precautionary measures at our other centers that we will replicate at Pinehurst and Seabreeze.”

With today’s announcement, SLP Operations now employs approximately 2200 associates across Texas.

Regional Vice President of Operations Akeeta Thomas will lead operations at these centers. Management and staff will provide 24-hour skilled nursing and rehabilitative care.

Pinehurst Nursing and Rehabilitation Center is a 111-bed skilled nursing center located at 3000 Cardinal Drive, Orange, Texas 77630. Orange, Texas is known for its "Small Town Charm and World-Class Culture".

Seabreeze Nursing and Rehabilitation Center is a 107-bed facility located 42 miles southeast of Houston, Texas and situated just off the shoreline of Galveston Bay.

Both centers offer skilled nursing, physical therapy, post-acute care, long-term care, rehabilitation services, respite care, and memory care. These communities provide a resident the opportunity to make their surroundings feel like home, while receiving the individual love and attention they deserve. At SLP centers, each resident receives a personalized care plan, offering both private and semi-private accommodations. These centers also feature outdoor activity areas with gardens and courtyards, an accessible dining room, beauty salon, Wi-Fi Internet, and a well-equipped therapy and gym room.
